

# POPALOO INSTRUCTIONS

THE PRIVATE CONVENIENCE

Thank you for purchasing our unique compact and highly portable toilet.

## POPALOO CABINET

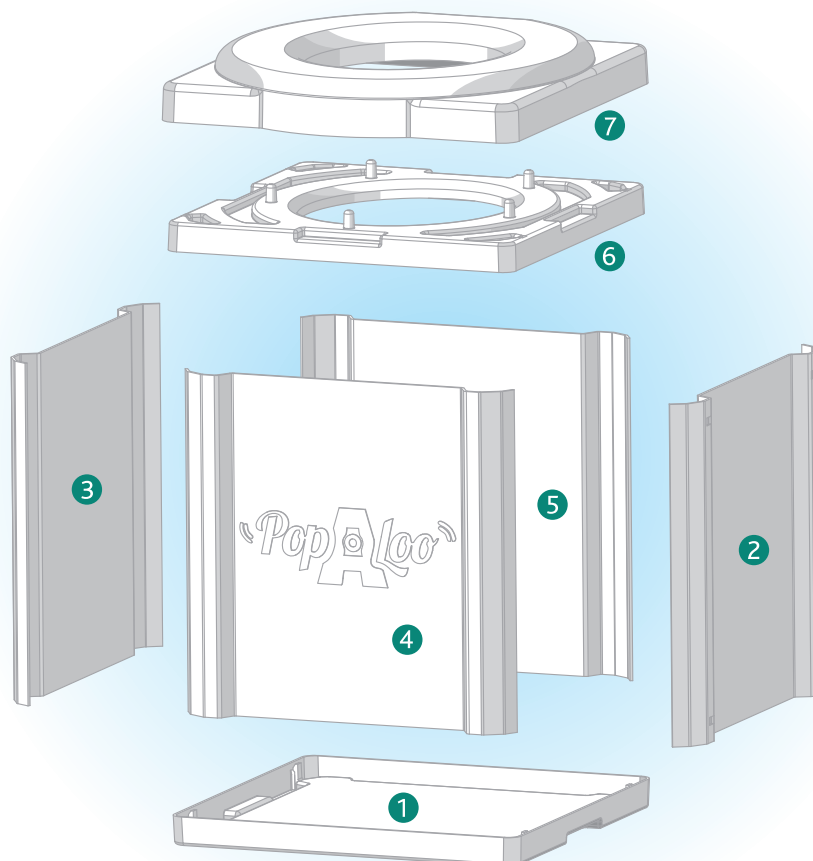

- Assemble in numeric order.
- Ensure panels 2 and 3 clip firmly to the base tray.
- Panels 4 and 5 fit inside of panels 2 and 3.
- The single peg (item 6) denotes the front, and can be fitted above either panels 4 or 5.
- Working from corner to corner clip and press panel 6 firmly in place. (It helps if you use one hand within the cabinet to square the corners)

### At this point check for rigidity

- Position the powder bag on the pegs
- Place number 7 on top with the rounded edge at the front...

N.B A video is on our website if you have any problems.

You and Popaloo are now good to go!

### TO DISMANTLE:

Remove the seat and place hand across any corner uprights and give a firm pull to external corner of item 6. Pack into base tray logo panels first, plain panels, top and then seat and store in carry case.

## AFTERCARE

If you experience any issues with any of our products please contact us direct at Popaloo, we are keen to ensure that all issues are dealt with promptly, to ensure you receive the very best in customer care. Please contact us on any of the methods shown below.
